

Welcome to SmartFind™

LAUSD's New Substitute Teacher Request System

A Smart Solution for Teachers

LAUSD is switching to **SmartFind**, a smarter, faster, easier solution for managing your absences. **SmartFind's** intuitive calendar makes requesting a substitute easy-everything from a planned professional development absence to a last minute illness.

Access **SmartFind** by telephone, computer, tablet, or mobile device to:

- Easily create a single or multi-day absence
- Upload teaching aids, lesson plans, documents
- Send messages to the substitute
- Intuitive and easy to learn
- **Request and track future days off.**

Even Smarter with the Free Mobile App

Get the **SmartFind** mobile app to create, view or modify your absences on the go. **Free to download, free to use** for iOS, Android or Windows.
