2014 CORE Waiver ELOS Program GUIDELINES FOR TEACHER SELECTION

The CORE Waiver ELOS Program is designed to provide targeted academic support to eligible students not meeting grade level standards in core subjects. Organization of classes will be locally determined based upon student eligibility and priority. Teachers who volunteer for this additional assignment agree to teach the entire session and to attend training if required. School site teachers have priority.

SELECTION

- **Priority #1A** Permanent and Probationary teachers in the affected grades/subject fields with appropriate authorization and training in the grade/subject field. This includes resource specialists, librarians, etc.
- **Priority #1B** Non-Permanent and Non-Probationary teachers who do not have a seniority date will use their contract date.
- **Priority #2** Permanent site-based non-classroom teachers. This priority includes Deans, Counselors, Coordinators, and Instructional Coaches.
- **Priority #3** Adult School Teachers
- **Priority #4** Substitute/ Retiree Teachers
- **Priority #5** Administrators
- All teachers with the appropriate qualifications in each of the above categories will be selected in seniority order.
- If there are more eligible applicants within each priority to teach a specific course at any one school than there are positions available, District seniority on a rotational basis, shall determine the selection. An applicant, who taught in the program during the previous session, shall not be eligible for service until all teachers in the priority grouping who did not teach the previous session are assigned. Ties in District seniority shall be broken under the provisions of Article XI, Section 6.
