

Welcome to Pearson SuccessNet: K-2 *enVisionMATH Common Core* and 3-6 *enVisionMATH California*. This powerful website contains activities for teachers, administrators, and students and acts a single workplace for teaching and learning.

If you are a teacher, you can:

- Manage your classes, including creating classes, using class rosters, and adding students
- Read online teacher and student editions of text books
- Assemble and assign tests through SuccessTracker
- Assign digital lessons/activities to either entire classes or selected students
- View various reports regarding test scores, mastery requirements, and individual student statistics

Students can:

- Complete digital lessons with Visual Learning Animations, Guided Practice and quizzes
- Read online text books
- Take tests online
- Complete practice assignments
